

Road and Walkway Improvements

ROADS — improvement to Ranch site and around facility because vulnerable areas that get washed out during inclement weather.

Supplies: All weather base to improve approximately 2 miles of Bird Springs Road. Thanks to Western Nevada Supply who donated 3 culverts. Approximately \$50,000.

PATHS — through and around the facility for ease of walking & to enhance exercise trails.

Supplies: Purchase of DG (20 yards) \$700 includes delivery. **Labor Needs:** Help spread DG with shovels and rakes.
